

# How to install Zoom for teleconferencing on your Computer, Smartphone or Tablet.

From a PC or Mac

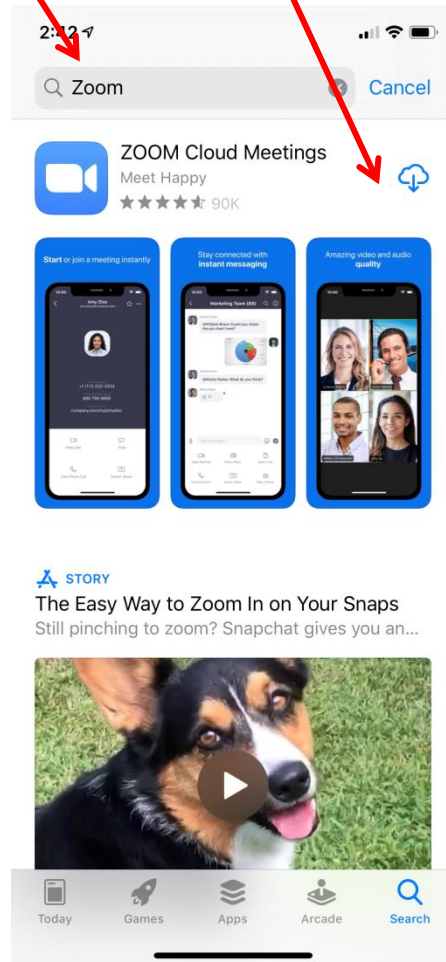

Go to [www.zoom.us](http://www.zoom.us) – The mouse over Resources and click “Download Zoom Client”

Click the “Download” button under Zoom Client for Meetings. Install this file.

From an iPhone or iPad go to the AppStore, search for Zoom and Download the application.

From an Android or Tablet go to the AppStore, search for Zoom and Install the application.
